

COMMUNITY *Connections*

Left, CBSM staff and board members joined city officials and members of the community at the unveiling of the sign naming the section of Miller Street that runs adjacent to our bank headquarters as James “Jim” D. Glines Way. We are grateful to the City of Santa Maria Parks & Recreation Department for honoring the life and legacy of Jim Glines, our co-founder and community philanthropist.

Pictured right are our Milestone Anniversary Celebrants for the first quarter, 2026. From the left, Cassie Medina (15 years), Noe Mahelona (25 years), Pam Johnson (20 years), and Lisa Bondiotti (25 years). We appreciate their hard work and dedication.

We conducted our annual Free Document Shredding event in March. We served 683 cars, securely shredded & recycled 44,568 pounds of paper, saving 380 trees!

Above, CBSM hosted a tour of our bank for 18 local CTE Educators to expose them to local workforce needs, in demand skills, and more specific to us, careers within the banking industry.
