James D. "Jim" Glines

1942 - 2025

Founder
Chairman

The unexpected passing of our Co-Founder and Chairman, Jim Glines, has deeply saddened our CBSM family and the entire Santa Maria community. Jim was a man of generosity, tirelessly committed to serving others. Just weeks before his passing, the City of Santa Maria honored Jim as a Hometown Hero in recognition of his many contributions to the community. Pictured above right is the banner erected in his honor.

While words cannot fully capture how much we will miss Jim, we are deeply dedicated to carrying on his legacy of service and commitment to the Santa Maria Valley.

COMMUNITY IN OUR *Community*

In Celebration of Community Bank of Santa Maria's 24th Anniversary, customers and community members were invited to participate in our annual Free Document Shredding & Fraud Prevention Education Event.

We served more than 700 cars, securely shredded 42,840 pounds of documents, and securely recycled 42,840 pounds of paper, saving 364 trees!

CBSM actively supports and participates in a variety of events and fundraisers throughout the year. Pictured above, we were honored to be invited to the groundbreaking of the new Planes of Fame Air Museum, scheduled to open in 2025.

Right, staff members enjoy the annual Cruzin' for Life Crab Feed to support local cancer patients.

And speaking of anniversaries, pictured above are our Milestone Anniversary Celebrants for the first quarter, 2025. From the left, Vira Hernandez (10 years), Victor Lopez (10 years), Amanda Sheffield (5 years), and Courtney Chacon (10 years).
